Setting up in Cyprus Helping you find your way

Our Pathfinder Services

Whether you might be considering to enhance your presence in Cyprus or set up an office from scratch, our multi - disciplinary team is ready to support you on all areas.

Pathfinder provides a personal, proactive and comprehensive service aiming to help you meet every need both during your first months in Cyprus and thereafter. Over the years, we have worked closely with a large number of international companies supporting them to successfully set up or upgrade their presence in Cyprus.

We use our expertise and experience to enable you to minimise your time, efforts and costs and be successful in your Cyprus operations.

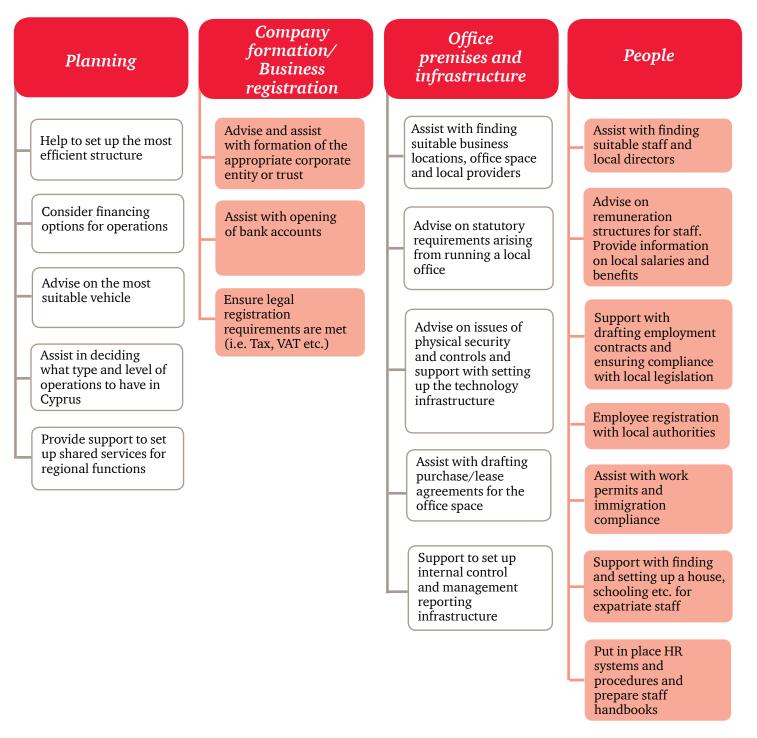

Why Cyprus?

- Cyprus can be the access point to the EU market for foreign investors
- Cyprus is Europe's eastern outpost at the crossroads of three continents Europe, Africa and Asia providing a gateway to and from each one of them
- Cyprus has developed into an international quality business centre that offers specialised services and processes that enable the ease of business
- Cyprus maintains one of the most attractive Tax systems in Europe. The corporation tax rate for Cyprus companies is 12,5%
- Cyprus possesses a well-trained and versatile labour force with fluency in English
- The legal system is based on the UK Common Law principles and aligned with the EU laws and regulations (Acqui Communautaire)
- Cyprus combines the international competitive business environment with a pleasurable and balanced way of life
- Cyprus has rewarding business opportunities catering for the diverse needs of international investors
- Cyprus has a highly developed infrastructure, educational institutions and medical centres
- There are frequent direct flights from Cyprus to 19 European cities and to other countries in the region, with more than 480 flights per week
