Programme Wrap-up

Testimonials

The content of the training helps you to have a better understanding of self and others, covers the subject of motivation, time management, change management and giving and receiving feedback.

Very interesting, not at all boring! Games and videos were interesting. Nice to have other companies as well in the group to see different views rather than just in-house.

I really enjoyed it and learned a lot from it. I believe it is a seminar that all managers should attend.

The training facilitators were well prepared and demonstrated good subject knowledge. I am happy I invested my time in attending the Team Leaders Development Programme.

Every business should invest in this kind of trainings.
