

Accelerate Cultivate Transform

pwc

“Accelerate Cultivate Transform (ACT) is a unique leadership development programme. Being much more than a traditional leadership training, ACT leads to a personal and professional transformation. It takes you on an experiential development journey to become an impactful and inspiring leader.”

What is ACT?

ACT aims to help high calibre professionals from different industries and sectors in Cyprus to develop their leadership vision, manage and motivate their teams and create lasting relationships with their people and clients. It is addressed to executives with at least 10 years working experience and more than 5 years in managing teams.

The duration of the programme is 6 months. It contains of:

- Three 2-day experiential modules, including sessions by inspiring guest speakers from Cyprus and abroad
- Three 1-1 individual Executive Coaching session with experienced Executive Coaches
- Opportunity to apply your learning to real-life challenges through ACT missions

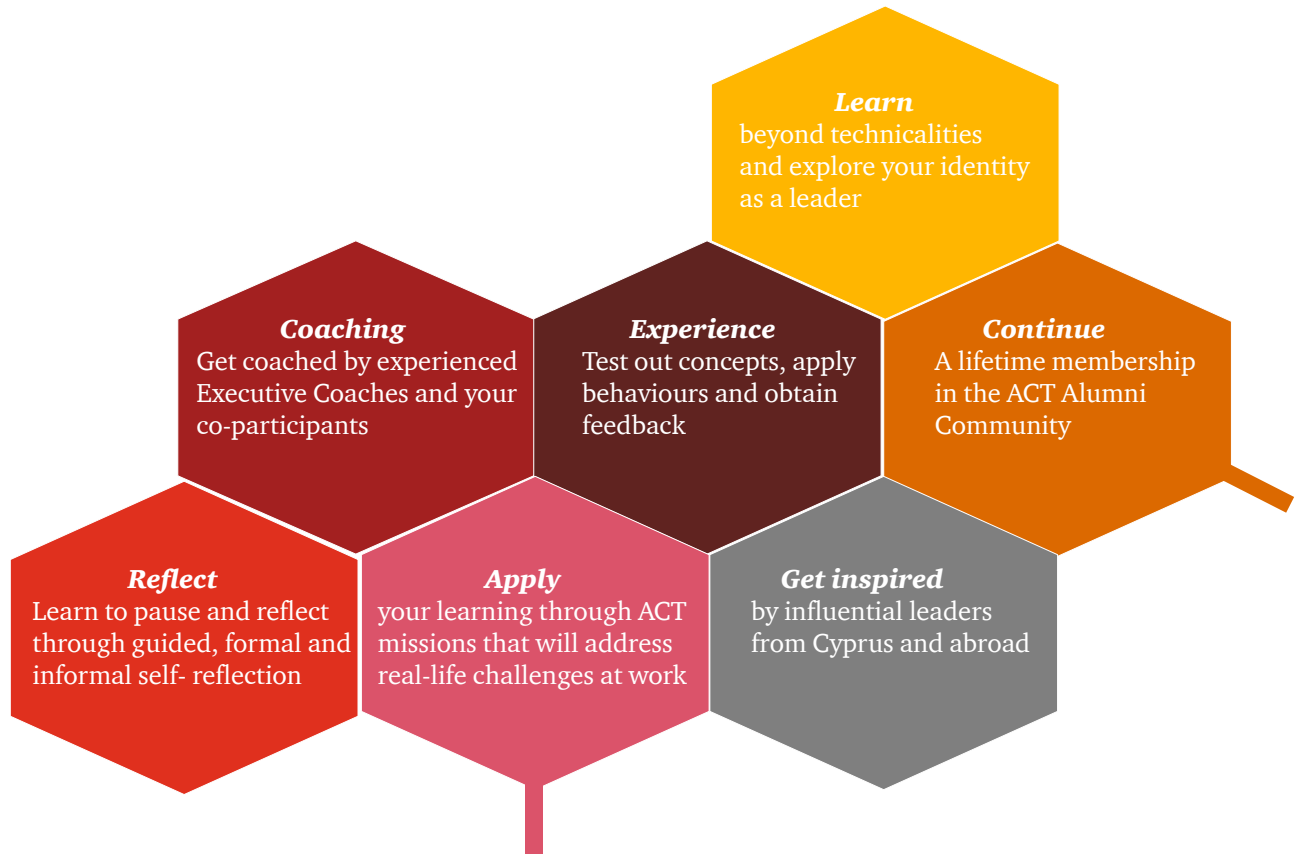

How will you benefit?

By completing this programme you will:

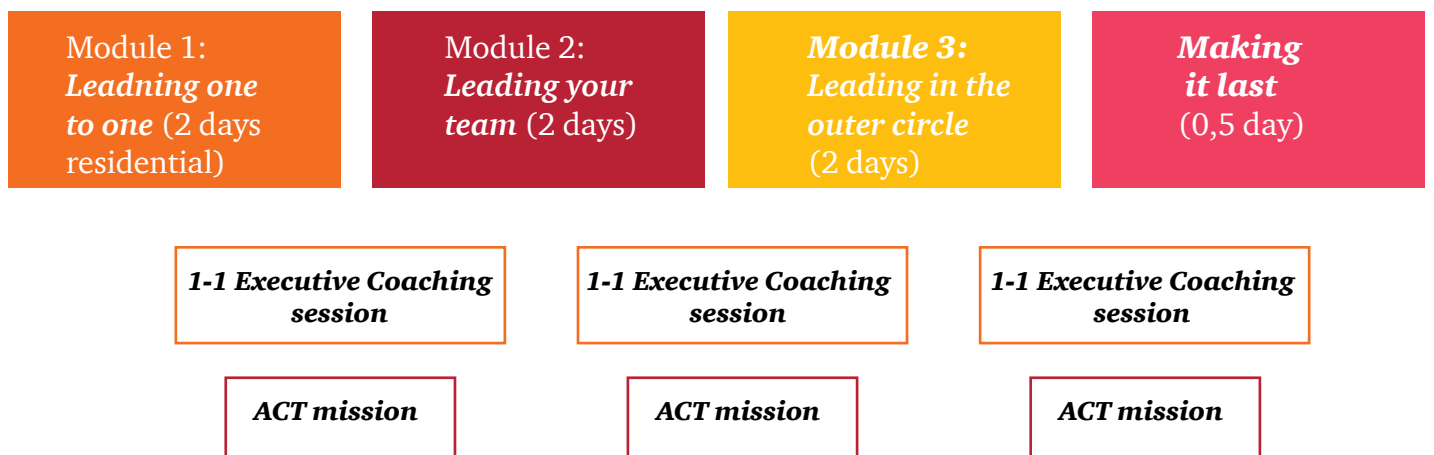

- Develop your **personal leadership identity** and presence
- Enhance your ability to engage with your team and to **cultivate a high performing and positive team culture**
- Expand your capacity to lead across boundaries and to **build relationships** based on trust and respect
- Create a **personal action plan** to address the key opportunities and challenges confronting your organisation
- Have a **measurable impact** on your organisation by mobilising individuals and taking targeted, transformative action
- **Join and build a network of business leaders** with whom you can share advice and insights throughout your career
- **Get coached** by experienced Executive Coaches
- Have the opportunity to listen to **guest speakers** who are carefully chosen to enhance the learning and reflection experience
- Stay connect to your group and get access to various leadership resources through **PwC online Learning platform**

Why ACT?
