

Talent Acquisition Services

Helping you attract & recruit your future talent!

The business environment is changing rapidly with organisations facing new challenges and opportunities.

Identifying and retaining the right people is a challenge faced by all organisations.

Nowadays, organisations need to develop tailored and targeted recruitment strategies in order to maximise efficiency and effectiveness.

Our service at a glance

We offer a tailored approach to identify the best people.

Agreeing on client's needs

We discuss with our clients in order to define the role's requirements and specifications. We provide advice on remuneration packages, consisting of annual gross salaries, bonus and benefits.

Sourcing of candidates

We design a targeted sourcing strategy tailored to the nature of the position. We capitalise our local and international network. Our clients have access to our large database of candidates. We advertise on our website and other mediums using the PwC brand name which attracts high calibre individuals.

Screening and assessing candidates

We screen all identified CVs. We undertake competency-based interviews, design and run assessment centres, prepare and score written exams, as well as run and interpret psychometric tests. We provide feedback on technical and behavioural assessment to support selection.
