Born in Cyprus, studied and worked in London, Cleo specialised in tax at a very early stage in her career. She moved back to Cyprus in 1992 and joined PwC. Ten years and three children later she became the first female partner.

Today, Cleo is the Chief Learning Officer of PwC. She is involved in coaching, training and mentoring within and outside of PwC, helping people to reach their full potential, develop business skills and become inclusive leaders.

She is an accredited Executive Coach by the European Mentoring and Coaching Council (EMCC), as well as a certified trainer by the Human Resource Development Authority of Cyprus.
