

Managing time and priorities effectively

This interactive seminar focuses on ways we can manage our time and priorities, to increase productivity and be effective.

Given time is a limited resource and demands are unlimited, everyone needs to be able to manage their time effectively and set the right priorities, to cope with high pressure and be on top of things. Managing time and priorities efficiently, is key to success for all, across industries and professions.

Who should attend the seminar?

Any member of staff from all industries, who wishes to enhance their time management skills and set priorities, for getting more done in less time – even when time is tight and pressure is high.
