

Team Leaders Masterclass

Developing leadership capabilities is an ongoing journey in today's work environment, where leaders are expected to lead their teams in a fast pace, volatile and disruptive environment. This program addresses the growing need for leaders to reflect on their own approaches and drivers and be able to lead others in an engaging rather than authoritative manner.

Through practical and reflective exercises, it empowers leaders to better understand themselves and at the same time be able to understand others at a deeper level, creating a solid foundation for better communication and engagement.

Who should attend the seminar?

The programme is addressed to:

- Team leaders, executives and those who have responsibility for a team
