

Workforce Transformation:

Date

15 -16 December 2026

Time

Day 1: 9:00-16:30

Day 2: 9:00-17:00

Venue:

PwC Central Experience
Center, Nicosia

Who should attend:

HR leaders, senior
executives, business
and strategy managers

Included:

A 4-hour in- house session
which offers the opportunity
to discuss issues that concern
your organisation in a more
personal and private setting

Building a human-led and tech-enabled workforce for the future

**Transform your organisation
by aligning workforce
strategies with today's
fast-evolving, tech-driven
landscape.**

Building on the success of our
previous seminars, this event will
empower HR leaders and executives
with the insights and tools needed to
cultivate adaptability, inclusivity and
compliance, while accelerating
productivity and innovation.

Exclusive Opportunity:

Join a discussion with Peter
Brown, PwC's Global Workforce
Leader.

“Excellent course presented
in an excellent way!

Really learned a lot!”

- Participant, 2025

Facilitators

Nicoletta Psyllidou
Director, Territory Lead
PwC Workforce Consulting

Nicoletta is a Director in the Advisory Department of PwC Cyprus, heading the Workforce Consulting. Nicoletta has more than 15 years of professional experience with PwC. She joined PwC Cyprus after spending 7 years with PwC UK specialising in the assessment and measurement of organisational culture and behaviours, leading workforce transformation engagements in the public and private sector including workforce capacity planning, culture and change management, organisational and model redesign, performance management and reward systems and workforce upskilling.

Nicoletta holds an MPhil in Management from the University of Cambridge, Judge Business School (UK) and a BSc in Psychology, First Class Honours from the University of York (UK). She is also ACA certified by ICAEW.

Andreas Papadopoulos
Senior Manager
PwC Workforce Consulting

Andreas is a Senior Manager in the Advisory Department of PwC Cyprus. Andreas has nearly 10 years of consulting experience with expertise in Business and Workforce Transformation in the private and public sector at a local and international landscape. His experience centres around transformation projects with a particular focus to the workforce areas including workforce capacity planning, culture and change management, organisational and model redesign, performance management and reward systems and workforce upskilling.

Andreas holds an MA in Human Resources Management from the University of Leeds (UK) and a BSc in Business Studies from the University of Huddersfield (UK).
